Note: Information for this list was provided by representatives of the companies themselves. Businesses are ranked by 2002 revenues and 2001 revenues, respectively. Revenues that appeared to be tied have been rounded. To qualify for the list, companies must be at least 50 percent women-owned. Due to the right of privately held companies to withhold information, the Business Journal makes no pretense of this being a complete list of all women-owned businesses in Los Angeles County. ACT 1 Personnel Services, No. 1 last year, declined to participate. To the best of our knowledge, this information is accurate as

of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. Please send corrections or additions on company letterhead to the Research Department, Los Angeles Business Journal, 5700 Wilshire Blvd., Suite 170, Los Angeles 90036. ©2003 This list may not be reprinted in whole or in part without prior written permission from the editor.
